

## Help us find these inactive members

In 2021 your Board of Directors authorized a \$809,000 general retirement of Capital Credits earned by members who had active service with us in 1996, 1997 and 1998. Active members received a June bill credit. Members who no longer receive service from us were mailed a check. The names listed here represent checks that were returned to us for incorrect addresses. (This list can also be found on our website at [www.menard.com/capitalcredits](http://www.menard.com/capitalcredits).) If you know any of these members, or if applicable, the executors of their estate, please ask them to email [info@menard.com](mailto:info@menard.com) with their name, address at time of service and current mailing address; or call 800-872-1203. Remember to keep your address with us updated even if you move off our lines and include a note in your estate information to contact us regarding capital credits.
