Menard Electric Cooperative's **Member Angel Tree**

Is your child dreaming of a new LOL doll or a super hero action figure? Maybe they need a new coat or pair of boots? We want to make Wishes come true for our members' children aged 12 years old or younger this Christmas. If you need help fulfilling your child's Christmas Wish, please submit this Angel to us by November 30.

We'd like to fulfill as many Wishes as possible, so we ask that you list only one Wish item per child and that the expected value be \$30 or less.

Menard Electric's Christmas Committee is comprised of employees who hold fundraising events throughout the

year. These donations will be used to fulfill the Wishes. Sadly, we cannot guarantee we will have the funding to fulfill each and every Wish. We will do our best.

If any members want to fulfill an Angel's Wish, we welcome the assistance. Please contact the Co-op. Santa and his reindeer will be delivering Wishes the week of December 17.

Wishers must fill out all the information on the Angel and return to the Co-op by November 30. We suggest you mail it with your bill, however you can also use the drop box at the Co-op office or mail separately to PO Box 200, Petersburg, IL 62675.
