

Unclaimed Capital Credits

Credits returned 2024

Last Updated 1/16/2025

In 2024 the Menard Electric Cooperative Board of Directors authorized a general retirement of Capital Credits earned by members who had active service with us in 2002 and/or 2003.

Active members received a bill credit or check, and inactive members were mailed a check.

Some of these checks were never cashed. Sometimes members move and we don't have a good address, sometimes they pass away; and sometimes they simply overlook a check as junk mail or forget to cash it. Whatever the reason, we want to make sure every member gets the capital credits due to them.

Listed here are the names of members and their last known mailing city/state.

If you know any of these members, or if applicable, the executors of their estate, please ask them to email info@menard.com with their name, address at time of service and current mailing address; or call 800-872-1203.

This listing is just for checks mailed in 2024. To see the longer listing of all capital credits due members please see our other listing at www.menard.com/capitalcredits.
