ELECTRICAL LINeworker APPRENTICE POSITION (SECOND YEAR TO FOURTH YEAR)

EXPERIENCE:

A minimum of two years of increasingly responsible experience in construction and maintenance of electric utility systems is preferred.

JOB KNOWLEDGE:

Must possess general knowledge of the operational aspects of electrical distribution systems and the ability to learn all aspects within a reasonable time span. Must become familiar with Cooperative Safety Manual, Construction Specifications, Approved List of Materials, National Electric Safety Code, OSHA Rules and Regulations, and the National Electric Code within a reasonable time span.

ABILITIES AND SKILLS:

Must have an understanding of the construction and operation of an electrical distribution system and the ability to learn and apply construction standards. Should be skilled in the areas of teamwork, organizing, planning, and following directions to enhance the efforts of the crew. Must possess good verbal and written communication skills and have above average math aptitude. Will be required to complete the Illinois Rural Electric Apprentice Program (IREAP) through our Illinois statewide association and the Northwest Lineman College program. Must demonstrate the aptitude and ability to pass all Company certification requirement tests. Must have climbing experience. Experience in the use of personal computers is preferred. A valid Illinois Class A CDL Driver's License is required. Applicant will be required to live within a 15-mile radius of Cooperative headquarters. Applicant will be covered under the IBEW Local 51 bargaining agreement.

WORKING CONDITIONS:

Major portion of workday involves general activities of line construction, including construction and maintenance of overhead and underground facilities. This is a safety sensitive position and employees are subject to drug testing. Individual must have the ability to perform work in a constant state of alertness and safe manner. Subject to call 24 hours per day, including weekends and holidays. Subject to long periods of work in all types of weather.

We offer an excellent comprehensive compensation and benefits package.

Deadline to apply for this position is Monday, January 31, 2022, by 4:30 p.m. Send resume and cover letter by email to: info@menard.com or mail to: Menard Electric Cooperative, HR Department, P.O. Box 200, Petersburg, Illinois 62675-0200.
