EXPLANATION OF TERMS:

- Due Date:** Your bill is due and payable at the MEC offices on or before the date shown on the bill. The amount due after the due date will include a late payment charge of 3% per month of the past due amount or \$3.00 minimum.
- Demand KW:** The maximum level of electricity power demanded by a commercial service in any 15-minute interval during the month, measured in kilowatts.
- Facility Charge:** A monthly fixed charge that covers the expenses incurred to serve each consumer regardless of usage.
- KWH (Kilowatt-hours):** The basic unit of electricity energy usage. One 100-watt light bulb burning for 10 hours will consume one KWH.
- Power Cost Adjustment:** The energy cost adjustment that reflects the difference between the cost of energy assumed in the energy rate and the actual cost of purchased energy.

Menard Electric Cooperative is an equal opportunity provider and employer.

I authorize MEC to draw monthly bank drafts through the automatic plan. I understand I may discontinue my participation at any time by notifying MEC in writing. Both MEC and the bank may terminate this agreement with 10 days written notice. I understand that MEC reserves the right to limit participation in the program to members who are in good standing; that the full amount of my bill will be drafted on the calendar date selected above or next business day; and that if funds are not available in my account there will be a charge posted to my account and I will still be required to make full payment before the bill due date.
