SCHEDULE “OL-1” OUTDOOR LIGHT SERVICE

AVAILABILITY:

Available throughout the Cooperative's service territory subject to the established Rules and Regulations of the Cooperative.

DEFINITION:

Dusk to dawn outdoor lighting

TYPE OF SERVICE:

See attached outdoor lighting types

RATE PER LIGHT:

See attached outdoor lighting monthly charges based on type of lighting

UTILITY TAX:

All charges made under this schedule for electric energy are subject to the prevailing Illinois Public Utility Revenue Tax.

CONDITIONS OF SERVICE:

The Cooperative shall furnish, install, operate and maintain the outdoor lighting equipment including lamp, luminaire, bracket attachment and control device on an existing pole of the Cooperative, electrically connected so that the power for the operation of the light does not pass through the meter for the member's other usage. If any additional equipment is required, member will pay for necessary improvements to accommodate the addition of the outdoor lighting to a location mutually agreed upon.

The Cooperative shall maintain the outdoor lighting equipment, including lamp replacement, at no additional cost to the member within a reasonable length of time after the member notifies the Cooperative of the need for maintenance of the outdoor lighting equipment.

The outdoor lighting equipment, connecting wires, poles, and appurtenances shall remain the property of the Cooperative. The member shall protect the outdoor lighting equipment from deliberate damage.

The member shall allow authorized representatives of the Cooperative to enter upon the Member's premises as is necessary for maintenance of the outdoor lighting equipment and for removal of the Cooperative's properties upon termination of service under this Schedule.

POWER COST ADJUSTMENT

The Cooperative may apply the Power Cost Adjustment to recover changes in wholesale power cost in accordance with Schedule PCA.
