

ATTACHMENT A-1

MENARD ELECTRIC COOPERATIVE

Member Interconnection Application and Acknowledgement

I, _____, submit this application for Interconnection to Menard Electric Cooperative, acknowledging I have fully read, understand and accept all provisions, terms and conditions set forth in the Cooperative's Operating Rules for Cooperative Members - Policy for Interconnection and Parallel Operation of Distributed Generation and associated exhibits and Attachments.

I desire to interconnect electric generating equipment to the low-voltage premises wiring at my property;

I desire to undertake Parallel Operation of this generating equipment with the electric distribution system owned and operated by the Cooperative;

I have accurately completed Attachment A-2, describing in full detail the electric generating equipment description(s) and characteristics;

I agree the Cooperative will evaluate and analyze the impact my electric generating equipment may have on the operations of the Cooperative's system and the quality of electric service provided to member-consumers of the Cooperative; and,

I agree not to undertake Parallel Operation of any generating equipment on the low-voltage premises wiring at my property without receipt of an **Authorization to Energize** signed by the Cooperative.
