

## Help us find these inactive members 2020

In 2020 Menard Electric Cooperative's Board of Directors authorized a general retirement of a portion of capital credits earned by members who had active service in 1996 and 2018. Active members received a June bill credit. Members who no longer receive service from us were mailed a check. We were unable to locate those listed below. If you know any of these members, or the executors of their estate, please ask them to email [info@menard.com](mailto:info@menard.com) or call 800-872-1203.
